

ARABICADABRA

COFFEE MILK STOUT

CREAMY COLD-PRESSED COFFEE • NOTES OF CHOCOLATE •
FULL BODIED • BREWED WITH LACTOSE

Locally roasted, 100% Arabica coffee beans from Ferris Coffee Co. in Grand Rapids, Michigan are cold brewed in-house and added after primary fermentation.

Arabica beans are used to brew a majority of high-quality coffee and make up over half of the world's overall coffee production.

The end result is a creamy, intense coffee stout brewed with a touch of brewers' magic.
