

BALTIC PORTER

BALTIC PORTER STYLE

CHOCOLATE • CARAMEL • LIGHT ROAST MALT NOTES

Owing their origin to English porters, Baltic porters are brewed using lager yeast instead of ale yeast strains, which yields a mild yeast character. The malt character is a rich, sweet blend of deep chocolate, caramel, and light roast notes that fall short of coming across as burnt or strongly coffee-like.

PHYSICAL SPECIFICATIONS

ABV:	9.1%
Bitterness:	39 IBUs
Color:	Dark brown-Black
Original Extract:	19.7 Plato

PRODUCT SPECIFICATIONS

Pricing Tier:	2
Availability:	Specialty release
Available Formats:	Draft
Shelf Life:	6 months

1/4 BBL
