

CHERRY STOUT

STOUT BREWED WITH CHERRY JUICE

RICH, DARK CHOCOLATE • TART CHERRY • MEDIUM-HEAVY BODY

Tinted ruby-black, Cherry Stout gains its signature tartness from 100% Montmorency cherries grown in Michigan's Traverse City region.

Rather than doubling up on sweetness, this tart cherry varietal serves as a counterpoint to the warm, dark chocolate notes from the malt bill. Lightly hopped for balance, this stout is one of the cornerstones of our stout portfolio.
