

HOPSLAM ALE

5L MINI-KEG

DOUBLE IPA

GRAPEFRUIT, CITRUS, STONE FRUIT AND FLORAL AROMAS • MICHIGAN HONEY

Starting with six different hop varieties added to the brew kettle & culminating with a massive dry-hop addition of Simcoe hops, Bell's Hopslam Ale possesses the most complex hopping schedule in the Bell's repertoire.

Selected specifically because of their aromatic qualities, these Pacific Northwest varieties contribute a pungent blend of grapefruit, stone fruit and floral notes. A generous malt bill and a solid dollop of honey provide just enough body to keep the balance in check, resulting in a remarkably drinkable rendition of the Double India Pale Ale style.
