# INCESSANT

## DOUBLE NEW ENGLAND IPA

JUICY • TROPICAL HOP AROMAS • FULL BODY • SOFT BITTERNESS

We were asked... incessantly. So, here we are; a New England IPA from Bell's. Our twist? We doubled it.

This beer comes directly from our innovation pipeline starting at our original brewery then moving to our Comstock Brewery for larger distribution. It is juicy (tropical, mango and pineapple hop aromas) with a full body and soft bitterness.

Enjoy.
