# FLAMINGO FRUIT FIGHT

**GOSE-STYLE ALE BREWED WITH LEMON, LIME, SEA SALT, AND CORIANDER**  
LIGHT-BODIED • BRIGHT • TART • LEMON & LIME ZEST

So, what did happen after two flamingos walked into a bar? A take on a modern Gose, Lemon Lime Flamingo Fruit Fight is kettle soured with Lactobacillus brewed with traditional (coriander, salt and wheat malt) and non-traditional (lemon and lime zest) ingredients. The addition of fruit compliments the spiciness and tartness.
