

# MANGO HABANERO OBERON

## AMERICAN WHEAT FRUIT BEER

RIPE MANGO AROMA & FLAVOR • DISTINCT HABANERO WARMTH

Brewed to the exact same recipe as Oberon, pureed mango and habanero peppers are then added during fermentation. The full-flavored, medium bodied wheat malt and citrus notes of Oberon provide the perfect canvas for the colorful interplay of tropical mango and the piquant warmth of habanero peppers.

### PHYSICAL SPECIFICATIONS
