

GREETINGS *from*

QUINNANNAW FALLS

BELL'S

...Michigan?

LITERALLY BORN IN A DREAM:

Larry Bell, president and founder of Bell's Brewery, dreamt that he was at the mystically hidden retreat of Quinannan Falls, somewhere in the boreal north.

Neither Quinannan Falls nor the beer actually existed outside his imagination, but he remembered enough about it to sketch a recipe and label.

The end result is a dry-hopped lager (6.5% ABV) that possesses a crisp, dry bitterness you would expect from a German pilsner, but the use of highly aromatic Simcoe hops from the Pacific Northwest evokes the fragrant pine forests that inspired this beer.

**IPA aficionados take note. Available in June.
Find it before it disappears.**
