

# QUINANNAN FALLS™

**DRY-HOPPED LAGER**  
**FRAGRANT PINE RESIN AROMAS • CRISP BITTERNESS**

Literally born in a dream: Larry Bell, president and founder of Bell's Brewery, dreamed that he was at the mystically hidden retreat of Quinannan Falls™, somewhere in the boreal North.

Neither Quinannan Falls™ nor the beer actually existed outside his imagination, but he remembered enough about it to sketch a recipe and label, which was put into full form by Michigan artist Kathleen Kalinowski, the following morning.

The end result is a dry-hopped lager that possesses a crisp, dry bitterness you would expect from a German pilsner, but the use of highly aromatic Simcoe hops from the Pacific Northwest, evoke the fragrant pine forests that inspired this beer.
