

SPARKLEBERRY® ALE

BELGIAN-STYLE TRIPEL ALE BREWED WITH RASPBERRIES
SLIGHTLY TART • EFFERVESCENT • FRUITY AROMA

Sparkleberry is an American interpretation of a Belgian Tripel brewed with raspberries. Slightly tart, dry and spicy, it was originally brewed for release at Kalamazoo Pride in 2013, the same year it won a Bronze Medal at the Great American Beer Festival. It has returned every year since drawing incredible praise at other Pride events, beer festivals and at our Pub. Sparkleberry is a celebration of diversity and will debut in cans for wider distribution in 2018. Sparkle on.
