

# NITRO SPECIAL DOUBLE CREAM STOUT

**SWEET STOUT • VELVETY SMOOTH • ESPRESSO • COCOA**

Special Double Cream Stout derives its name from its smooth, creamy texture, not the ingredients. Completely dairy-free, this stout blends ten different specialty malts to yield a remarkable depth of flavor. With only a touch of burnt notes, Special Double Cream Stout focuses on the softer, cocoa & espresso-like aspects of roasted malt. The infusion of nitrogen ups the ante providing an even more beautiful, mesmerizing and delicious sensory experience.
