

Two Hearted voted #1 Beer and Bell's voted #1 Brewery

Two Hearted was named the #1 beer in America for the 3rd straight year, and Bell's Brewery was

named #1 overall brewery for the 3rd straight year as well, in this year's Best Beers in America survey from *Zymurgy* magazine. Now running in its 17th year, the survey asks members of the American Homebrewers

Association (AHA), which publishes *Zymurgy* and celebrates a membership of more than 46,000 homebrewers, to choose their favorite commercial beers available for purchase in the U.S. "It is an honor to once again be awarded the top-ranking spots among so many great breweries and beers," said John Mallett, Director of Operations at Bell's Brewery. "Only the best Centennial hops, a commitment to quality by the entire Bell's team, and the splendor of our home state are all part of the beauty of Two Hearted Ale."
