

TWO HEARTED

AMERICAN IPA • CITRUSY • PINEY • 100% CENTENNIAL HOPS

Two Hearted Ale is defined by its intense hop aroma and malt balance. Hopped exclusively with the Centennial hop varietal from the Pacific Northwest, massive additions in the kettle & again in the fermenter lend their characteristic grapefruit & pine resin aromas.

A significant malt body balances this hop presence; together with the signature fruity aromas of Bell's house yeast, this leads to a remarkably drinkable American-style India Pale Ale.

Two Hearted is made with just a few simple ingredients: water, yeast, malted barley and hops and is verified as Non-GMO. This means that all of the ingredients AND our suppliers have met the criteria set by the Non-GMO Project standard. Our general policy, as set by our president and founder Larry Bell, is that we be as GMO free as possible. Cheers!
