

# WEDDING ALE™

## IMPERIAL WHEAT ALE

BREWED WITH HONEY, CORIANDER AND ORANGE PEEL

Golden in color and brewed to celebrate those special moments in life, Wedding Ale™ uses a subtle blend of orange peel and coriander to enhance the aroma. It's brewed with a combination of wheat and pale malts and fermented with our signature house ale yeast. A light touch of European hops rounds out the beer, while a generous addition of honey adds a dry complexity rather than sweetness.
